*The following information should answer some of your
immediate questions, we look forward to celebrating with you,
your very special day.*

St Paul's Anglican Church

The Church provides a wonderful space for small intimate weddings and for wedding parties of up to about 150 people.

We will be pleased to confirm your wedding date and will provide you with a letter that will also outline the initial stages of preparation.

The Church service is centred on the Anglican liturgy and affords you opportunities to choose readings and music that may involve others in the service. You are encouraged to make changes to the service that reflects your specific intentions.

Wedding Costs & Donations

You should anticipate basic costs associated with your wedding at St Paul's of \$950.00, with a deposit of \$250.00 to confirm the booking. This fee will cover the cost of the organist, display of altar flowers and fees for the sacristan who prepares the church on the day.

There is no fee made for the marriage service or for the time and services of the priest, however we encourage you to make a thanks offering directly to the priest which will be used for the ongoing ministry of the church.

Our Ministry Team

Our team will be pleased to assist you with musical arrangements and can provide professional singing and accompaniment. Likewise, our sacristan, will arrange for suitable floral displays, however, if you wish for more elaborate decorations, we will be happy to advise and provide these in accordance with your wishes.

Our hospitality team look after all of our catering requirements and will provide you with a clear design and costing should you choose to use the St Paul's hall for your reception or for any hospitality following the service.

Wedding preparation

Obviously your wedding is an important life event, and we will work with you as you prepare together for this special day.

Our priest will meet with you before the wedding and will guide and advise you in creating a meaningful service. We will also complete all the required paperwork to officially record your wedding.

We will also encourage you to engage in a relationship workshop which you can do either with our priest or with one of the many organisations that offer such programs.

If you have your own Anglican priest who you would like for your wedding then we will offer them the full hospitality of the parish.

Reception & Celebration

Our restored "hall" is the original St Paul's church and offers a wonderful space for formal and informal celebrations. You may like to consider this as a venue for your reception. We can provide catering for up to 80 people or you may like to use the venue and do your own catering. Your guests will have the convenience of not having to move to another place and after your celebration you can drive away from the church to begin your married life and your guests are close to Fremantle if they decide to party on or want to finish off with a coffee on the strip.

Thank You

Finally, our thanks for choosing to celebrate this special day at St Paul's church, we pray that you will be blessed as you make your preparations and will do our best to see that all arrangements are completed in accord with your plans and with a view to your future.

Please have a look at the galleries on our web site if you want to see some different aspects of the church and hall.
