Holy Grounds Launches Chatty Cafe Collaboration to Foster Community Connection

Holy Grounds, a vibrant social enterprise cafe in Cathedral Square, is almost entirely volunteer-staffed and opened one year ago to tackle loneliness by offering a community space with activities and collaborations designed for the community, by the community. It is now launching its Chatty Cafe collaboration – an initiative aimed at reducing social isolation and fostering meaningful connections.

The Chatty Cafe initiative encourages people to connect over coffee, conversation, and connection. Through this collaboration, Holy Grounds invites community members, locals, and visitors to enjoy a warm, friendly environment where anyone can join in conversation - whether with friends, family, or friendly faces you haven't met yet.

"Holy Grounds is one of the first Chatty Cafes in Western Australia of what we imagine will be many - with the initiative growing globally," said Chatty Cafe Australia founder Glenys Reid.

"Loneliness is now recognised as a serious public health issue, with research showing it can be as harmful to our health as smoking or obesity. At Holy Grounds, we see social connection as the next pillar of wellbeing - alongside physical and mental health. That's why we exist: to strengthen community health by providing a space where people can come together, build friendships, and feel that they belong," said Chrissy Wilson, Community Engagement Co-ordinator at Holy Grounds.

"Social connection is vital for wellbeing, yet many in our community experience isolation," said Michele Yuen, Team Leader at Holy Grounds. "Our Chatty Cafe sessions provide a simple but powerful way for people to come together, chat, and feel part of something bigger. Everyone is welcome - whether you come on your own or with others."

Holy Grounds will host **dedicated Chatty Cafe sessions every Monday from 10.00am to 12pm**, starting **Monday 13 October**, and already have a Chatty Table during opening hours (8.00m-2.00pm weekdays). Chatty Cafes offer a relaxed, inclusive atmosphere designed to spark conversation and build community. So, you are welcome to pop in anytime they are open as well as come along to designated sessions on Mondays.

As a social enterprise, every purchase at Holy Grounds helps support ongoing community initiatives, making every cup of coffee or snack a contribution to local wellbeing.

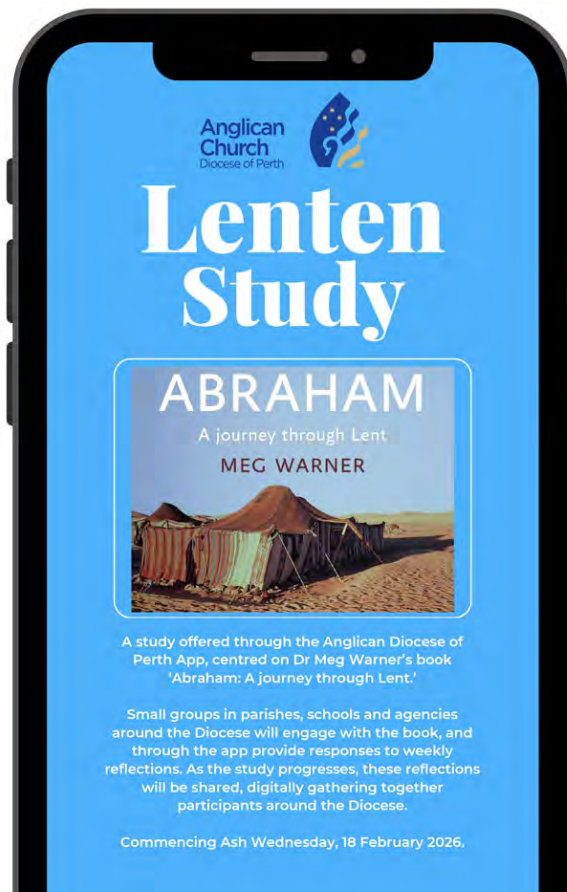

For more information, session times, or to get involved, visit www.holygrounds.org.au or contact Chrissy Wilson at chrissy.wilson@perthcathedral.org or on 0493 448 350.

κοινωνία

Catholic Fellowship in the Anglican Diocese of Perth

A gathering of those in the catholic tradition for prayer, worship and learning.

Clergy gatherings occur every two months, with a discussion topic chosen by the host. Topics so far have included Marian devotion, Holy Week liturgies and sacramental evangelism. We begin by praying the rosary, followed by Mass, then discuss the day's topic over a shared meal.

Particular feasts are chosen each year for public worship at various churches, bringing the catholic tradition to life in this place.

If you are a deacon, priest or bishop in the catholic tradition (or if you are interested in exploring it), you can contact Father Grahame Bowland (frgrahame@bowland.au | 0433 317 142) to be added to the email list.

SAFE MINISTRY UPDATE

Discussion prompts for Parish Council – Safe Ministry Agenda Item

As suggested in our August bulletin, we provide a question to help guide discussion and strengthen Safe Ministry practices. This month's question:

How do we ensure that Safe Ministry is embedded in the culture of our parish, not just as a compliance requirement but as a shared value?

E.g. What practical steps can we, as Parish Council, take to make Safe Ministry visible and valued in everyday ministry?

Children's Week WA 2025

This year we were encouraged to hold “micro-events” which provide opportunities to have conversations about the importance of prioritising children’s safety and wellbeing in our communities. Ideas included a morning tea, a local walk to the park, and sharing information about the National Principals for child safe organisations.

How can **YOU** incorporate this message into not just this week, but throughout the year?

Resources including posters can be found at <https://www.childrensweekwa.org.au/resources/>

Reminder – Parish Screening Reports

Parish Screening Reports will be heading out to you the week of 10 November. As per the reminder email sent out on 15 October, all information and screening updates need to be with Safe Ministry by **31 October 2025**.
